Good afternoon!

I called and left a voicemail message a few minutes ago. I realize you are gone for the day but I wanted to follow-up this way as well. I heard back from my supervisor/her supervisor and so on about the request below. We can confirm that based on the provided documents (thank you for those, they really helped!) we have no record of either transaction. We do not use PO numbers as the reference number that we provide to the pharmacy. We don't use a PO number "downstream" at all, it is an option that our pharmacies have if they would like to input a PO number to denote a specific order.

I was asked to advise you to "obtain documentation from your supplier" about the trail of these items.

I will be off tomorrow but if you have any questions please reach out to Sarah (my supervisor) at 800-755-1531 ext 6043. She will be able to assist you. I will be back on Thursday Oct 1st if you have any questions for me.

Thank you,

Hi Cassandra,

Thank you for taking the time to talk with me today and digging into this request. Attached are two screenshots of the T3s I was referring to.

Let me know what you think.

Thanks,
